

**INTERNATIONAL ASSOCIATION OF ARSON INVESTIGATORS
FLORIDA CHAPTER & PARCO**

Presents:

Expert Report Writing & Practical Approaches to Fire Burn Analysis

Morning session will be an overview in expert report writing describing why we write expert reports, how to use the scientific method in the report, requirements of Federal Rules of the Civil Procedure, defense of your report during testimony, and applicable guidelines, protocols and standards that may or will apply. Afternoon session will be how to understand the practical approaches to fire burn analysis by recognizing types of fire patterns and their damage, and then be able to interpret fire behavior from the patterns. Some case examples will be used. **For those attendees pursuing/renewing the recognized Certified Fire Investigator (CFI – IAAI) designation a test will be given at the end of the class.**

This seminar is for anyone that conducts origin & cause fire investigations within their agency.
